EDITORIAL

Forty members attended the Annual General Meeting on Thursday the 19th September at the Old Hall Hotel.

The Chairman, Mr C. R. Laver, reported that the membership had risen during the year from 512 to 555. An inscribed tray had been presented to the Mayor, Councillor E. J. Horley at the Annual Reunion Dinner in February and a clock had been presented to the school caretaker on his retirement earlier in the year.

The Treasurer reported that in spite of the reduction of the subscription from 10/6d. to 5s. there was an excess of income over expenditure of £15.

Officials elected for the first time were:—

University Representative: W. R. DEEM

Committee Members: R. W. ASTORGA and G. J. CARROLL

In 'Any other business' Mr Deem asked if the Annual Dinner could be held during the Easter Vacation so that University Members would be able to attend.

This matter has since been discussed in general committee but the matter has not yet been settled. The Secretary or any other member of the committee would be pleased to have views on this controversial subject.

Camp will be held at the usual site at Ladram Bay from the 24th July to the 12th August. No circular will be sent out this year, those members who wish to go should contact the Secretary, or Mr Sutcliffe at School, as soon as possible. (This is important as some who applied too late last year had to be turned down.)

The Annual Reunion Dinner will be held at the Unicorn Hotel on Saturday, February 15th 1958. The Guest of Honour will be Mr J. G. Harris, Clerk to the Justices. (Those with endorsed licences, etc. bring them along!).

We had an attendance of 96 last year and we must have well over the 100 level in February and go all out for a record attendance.

Trevor S. Crosby has been appointed as Research Assistant in the Department of Botany at Leeds University.

Bernard Johnson has been appointed Headmaster of Sudbury Secondary Modern School. He was formerly Headmaster of Nayland County Primary School in Essex and took up the new post in the spring.

It would help us considerably if, when writing to us, you would give the years during which you were at school. One or two of you have mentioned the fact that they did not know whether it was John Jones at school with them, who married, or another one altogether. Quoting dates will help to solve that problem.
