EDITOR'S NOTES

Members will be pleased to know that George Wood is home again after a long spell in hospital. We send him our very best wishes, for a speedy recovery.

Newton Jackson is at present away from the county on a world cruise. We hope to be able to print the story of his travels when he returns.

At the annual meeting of Altrincham Council in May, the councillors re-elected Edward J. Horley an Alderman for a period of six years.

It was not the Editor's intention that the success of the football section should be over-emphasised, so making the magazine a "football pink", but the obvious success, and the absence of articles from O.A.'s make this unavoidable.

The O.A.'s sports sections have amalgamated into a Sports Club, and negotiations are at present being made with Altrincham Council for a ground on Ridgeway Road, Timperley.
