Editor's Comments

Faced with an immediate demand for copy, and with very little time before today becomes tomorrow, I will attempt a survey of events during the past year.

The choice of the Pavilion Suite at Old Trafford proved popular with the hundred or so members who attended the Annual Reunion Dinner on April 9th. The younger end was again well represented and we hope this will lead to even bigger turn-outs in the years to come.

Once again the Football Section steals the sporting headlines, with the First Eleven having won the league championship for the third consecutive year; the Second Eleven finished runners-up in their division and the combined result ensured retention of the Aggregate Trophy. The 'A' XI, in spite of two defeats by our own 'B' XI, finished champions of Division 3A.

The Cricket Section won the Pennant Knock-Out Competition at the first attempt; this year it has also entered the Over Peover Six-a-Side Tournament.

John Trewella aims to run an Old Alts. Tennis VI this season and would be pleased to hear from anyone who would like a game; he will also be able to advise when the hard courts at school are available for use. No sooner had our Hockey and Rugby teams evolved their tactics for matches against the school when the rains came with a vengeance. However, we hope we shall progress to a match or two, perhaps even a victory, next season.

Arrangements have been made for boys about to leave school to be given information circulars and membership forms in the hope that this will cause a steady increase in membership in keeping with the favourable developments anticipated in the near future.

Best wishes to all O.A's.
